## Recognition of Prior Learning (RPL)

### What is Recognition of Prior Learning (RPL)?

Marr Mooditj Training offers RPL towards a qualification by having your skills and experience assessed to see if they meet industry standards. Fees are charged for RPL. ( see fees schedule)

### How can RPL benefit you?

RPL can provide you with the opportunity to gain a full or partial qualification without having to study subjects you already have skills in. This means you can save time and money by completing a qualification in a shorter period of time.

### Marr Mooditj Training RPL process is set out below:

#### 1. Make contact

Email: [reception1@marrmooditj.com.au](mailto:reception1@marrmooditj.com.au) or call us on 9351 9344

#### 2. RPL Pre-Assessment Interview

An assessor will contact you to arrange a pre-RPL interview to discuss your skills and experiences. Prior to the interview, you will be asked to complete a pre-assessment checklist.

#### 3. Assessment

The best way to assess your skills will be determined. This may involve observing you in the workplace or in a similar environment or contacting referees or employers to support your claims.

#### 4. Finalising the assessment

When all evidence is gathered, the assessor will advise you if your skills and experience have been officially recognised towards a full or part qualification. If you need to do additional training to complete a qualification, the assessor will advise you on what is required.
