

## **VET Student Loans – Tuition Assurance**

The Australian Government implemented interim tuition assurance arrangements for the 2018 calendar year for VET Student Loans (VSL) students. These interim arrangements will be extended to 31 December 2019.

If Marr Mooditj Training ceases to provide a VET Student Loans course of study (or closes), the department's tuition assurance administrator will assist students:

- To complete their course at another provider where a replacement course is available.
- Or receive a fee-re-credit for any units of study commenced but not completed at the time their provider ceases to offer their course.

### **Student contact information**

The tuition assurance administrator will seek to contact and provide specific information and assistance to all impacted students in the event of a 2018 or 2019 course/provider closure. If an impacted student is not contacted by the tuition assurance administrator within five business days of their provider's closure, it is important they contact the tuition assurance administrator (refer below for contact details) to confirm their contact details are correctly recorded. This will ensure students are provided with timely access to assistance.

### **Student records**

It is recommended that students keep any records of their enrolment, statement of attainment, records of results achieved for the course and copies of completed assessments. These records may assist students to transfer to an equivalent course of study with another provider or provide recognition of the units they have completed.

## STATEMENT OF TUITION ASSURANCE FOR EXEMPT VET STUDENT LOANS (VSL) PROVIDERS

### Introduction

1. Tuition assurance protects students in the event a course provided by an approved VSL provider ceases to be provided after it starts but before it is completed. Affected students are offered a replacement course with another provider and where this is not possible, the students' FEE-HELP balance for the affected part of the course will be re-credited.
2. As an approved provider under the VET Student Loans Act 2016, Marr Mooditj Training Aboriginal Corporation (MMTAC), ABN: 33073703763 must be a party to an approved tuition assurance arrangement or have an approved exemption in place.
3. It is intended that, from 1 January 2019, MMTAC will be exempted from the requirement to be a party to an approved tuition assurance arrangement. Instead, MMTAC is required to comply with interim arrangements which ensure similar tuition assurance protection is provided to students.
4. This statement sets out the interim arrangements for tuition assurance that will apply from 1 January 2019 and Marr Mooditj Training Aboriginal Corporation's obligations from that date.
5. If any changes occur to the proposed arrangements outlined below, a revised statement will be provided on Marr Mooditj Training Aboriginal Corporation's website and advised to all students that have enrolled in the intervening period.

### What happens if Marr Mooditj Training Aboriginal Corporation ceases to provide a course after it starts but before it is completed?

#### Information for affected students

6. MMTAC will notify affected students **in writing** that an approved course is no longer provided within 2 business days after MMTAC ceases to provide the course after it starts but before it is completed.
7. As soon as practicable, MMTAC will also update its website to reflect that the course is no longer being delivered and to give students information about the tuition assurance arrangements.

#### Replacement courses

8. The Commonwealth Department of Education and Training (the Department) (or a consultant engaged by the Department) will work with affected students to identify a replacement course and arrange for students to be placed with replacement providers.
9. Replacement courses must meet the following requirements:
  - the course must lead to the same or comparable qualification as the original course;

## Marr Mooditj Training

- the mode of delivery of the replacement course must be the same as or, with the student's consent, similar to the mode of delivery for the original course;
  - the location of the replacement course must be reasonable, having regard to the costs of, and the time required for, a student's travel; and
  - the student will not incur additional fees that are unreasonable and will be able to attend the replacement course without unreasonable impacts on the student's prior commitments.
10. Affected students will be offered a replacement course and may seek a review about whether the course offered to them meets the requirements for replacement courses.
  11. A student who accepts the replacement course offered will not be required to pay the replacement provider for the replacement components of the replacement course. However, the fees payable for the remainder of the replacement course may be different from the fees payable for the original course.
  12. A student who accepts the replacement course offered will also receive course credits for parts of the original course successfully completed by the student, as evidenced by:
    - a copy of a statement of attainment or other Australian Qualifications Framework certification document issued by the course provider or an authorised issuing organisation in accordance with the Australian Qualifications Framework; or
    - a copy of an authenticated VET transcript issued by the Student Identifiers registrar.
  13. Each affected student will have a period of six (6) months in which to accept the replacement course offer. The Department may extend that period in circumstances that justify an extension.
  14. If an affected student enrolls in a course that is not a replacement course, the student may be required to pay additional tuition fees, and might not receive the course credits the student would have received if the student had enrolled in a replacement course.

### Re-crediting of students' FEE-HELP balances

15. Where there is no suitable replacement course for a student, MMTAC will re-credit the student's FEE-HELP balance for the affected parts of the original course. The amount re-credited will be equal to the amount of VET student loan used to pay tuition fees for the student for the course, or parts of the course.

### Prepaid fees

16. Marr Mooditj Training Aboriginal Corporation do not receive prepaid fees.

### Record Keeping

17. It is suggested best practice for students to retain assessments, records of competencies or statements of attainment that they receive from their education provider.
