

HLT54121 Diploma of Nursing

Course Description

This qualification reflects the role of an enrolled nurse working under supervision of a registered nurse. This qualification covers the application of skills and knowledge required to provide nursing care for people across the health sector. A lifespan approach should underpin this qualification with relevant competencies that relate to the different stages of life identified within the units.

To be eligible to apply for registration as an enrolled nurse and to practice in Australia, you must complete a Diploma of Nursing program accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC) and approved as 'an approved program of study' by the Nursing and Midwifery Board of Australia (NMBA) in accordance with the Enrolled Nurse Accreditation Standards.

Enrolment Requirements

To be eligible for enrolment you must:

1. Be 18 years of age and provide a photo ID with proof of age.
2. Be of Aboriginal or/Torres Strait Islander Descent
3. Be residing in Western Australia
4. Year 12 Western Australia certificate of Education (WACE) or equivalent completion certificate from another Australian State or Territory, passing in maths and science, AND achievement of Exit level 3 in an ACER literacy, language and numeracy test.

If WACE is not obtained, the minimum requirement is attendance and satisfactory completion of at least 6 years of primary and secondary education taught and assessed in English, including at least two (2) years between Years 7 and 12, as specified in the NMBA language skills registration standard.

This course is subsidised by the Department of Training and Workforce Development for Aboriginal and Torres Strait Islander equity groups and jobseekers.

Registration Information

Upon successful completion of this qualification, graduates will be eligible for registration with the Australian Health Practitioner Regulation Agency as an Enrolled Nurse and this will incur a fee.
